

## Globex Corp - IT Security Policy (Excerpt)

### Password Requirements

All passwords must be at least 14 characters long and rotated every 180 days. Password managers approved by the security team are mandatory for storing credentials.

### VPN Access

Remote access to internal systems requires the corporate VPN with certificate-based authentication. Split tunneling is disabled by policy. VPN sessions expire after 12 hours.

### Incident Reporting

Suspected security incidents must be reported to the SOC within 1 hour of discovery via the incident hotline. Do not attempt to remediate compromised systems yourself.
